The 2020 Pro Bono Network Conference is going virtual this year thanks to Widener University!

Our very own **Anndee Neuman, SPT '22** and **Abby Neal, SPT '23** are presenting at the conference for our Midvale CBC clinic implementation of a new data-collecting system, FOTO. They will be presenting on it in the hopes that physical therapy programs nation-wide will also add FOTO in their pro bono clinics. With greater utilization of FOTO, clinics across the nation will be able to facilitate learning and optimize research through the sharing of outcome data.

## PT Volunteers Needed

Our Midvale CBC Clinic (outpatient orthopedics) and Neuro Pro Bono Clinic (outpatient neuro) are in need for physical therapists in the community to act as attending PTs for our students on these treatment days:

Midvale CBC: **Thursday from 5:10 pm - 9:00 pm** and **Saturday 8:10 am - 12:30 pm**

Neuro Pro Bono Clinic: **Tuesday from 2:30 pm - 6:30 pm**

*If you are willing to volunteer or know of anyone to contact, please reach out to our attending liaisons: [avery.alexander@hsc.utah.edu](mailto:avery.alexander@hsc.utah.edu) or [taylor.kobliska@utah.edu](mailto:taylor.kobliska@utah.edu)*
