

*Have you experienced challenging conversations in the classroom?
Would you like to learn methods to transform challenging conversations into positive experiences leading to an inclusive community?*

College of Health faculty and staff are invited to attend:

Dialogue skills session with David Derezotes and TCIC staff

When: Wednesday, November 7th, 2018 from 12:00 – 2:00pm

Where: Skills Classroom | HPEB 2nd Floor

Light lunch will be available

In this session, the TCIC staff from the University CTLE will provide opportunities for both:

1. Small group dialogue in which participants can talk about their experiences
2. Large group psychodrama in which participants can watch some of their experiences played out by TCIC staff and can participate in learning new dialogue skills
