APTA Clinical Instructor Education & Credentialing Program
Agreement of Participation

The Clinical Instructor Education and Credentialing Program is being offered by the University of Utah DPT Program. Successful completion of the didactic component of the curriculum and the accompanying Assessment Center will result in credentialing by the APTA as a Credentialed Clinical Instructor. Successful completion of the didactic component only for non-Pt professional will earn 1.2 CEUs (12 contact hours).

To be eligible for credentialing, the participant must:
1. Submit a fully completed Participant Dossier, and signed Agreement of Participation by the course registration deadline.
2. Provide a copy of your professional license.
3. APTA members provide a copy of your membership card.
4. Attend each session of the program in its entirety and participate in all program activities.
5. Successfully complete each portion of the Assessment Center. NOTE: *If any part of any session is missed, the participant must repeat the entire program to be eligible for CI Credentialing. *Only participants who have completed all program sessions will be permitted to sit for the Assessment Center. *Experienced clinical instructors may be eligible to achieve credentialing through Assessment Center testing only – contact Reva Rauk at 801-581-8665 for further information.

Non-PT professionals to be eligible for CEUs, the participant must:
1. Submit a fully completed Participant Dossier, and signed Agreement of Participation by the course registration deadline.
2. Provide a copy of your professional license.
3. Attend each session of the program in its entirety and participate in all program activities.

*I have read and understand the above policies and agree to abide by the conditions as stated.
