LEVELS OF SUPERVISION HOD P06-00-15-26 [Position]

The American Physical Therapy Association recognizes the following levels of supervision:

General Supervision: The physical therapist is not required to be on site for direction and supervision, but must be available at least by telecommunications.

Direct Supervision: The physical therapist is physically present and immediately available for direction and supervision. The physical therapist will have direct contact with the patient/client during each visit that is defined in the *Guide to Physical Therapist Practice* as all encounters with a patient/client in a 24-hour period. Telecommunications does not meet the requirement of direct supervision.

Direct Personal Supervision: The physical therapist or, where allowable by law, the physical therapist assistant is physically present and immediately available to direct and supervise tasks that are related to patient/client management. The direction and supervision is continuous throughout the time these tasks are performed. Telecommunications does not meet the requirement of direct personal supervision.

Relationship to Vision 2020: Professionalism; (Practice Department, ext 3176)
