

School Health Teaching Minor
 Department of Health & Kinesiology
 College of Health
 University of Utah
 Effective Fall 2020

The School Health Teaching minor is for students who are already pursuing a different teaching major, and yet are also interested in health education as an additional topic of study.

1. To declare the School Health Teaching minor, students must complete the [online registration form](#).
2. Students must maintain a 2.0 GPA. All courses must be successfully passed with C-. **(33 Credits)**
3. Students with a School Health Teaching minor must pay careful attention to the prerequisite courses required.
4. Students should meet with their academic advisor at least once every semester to ensure correct scheduling of coursework.
